6. **CONTINUE RECYCLING** - last Tuesday marked the first death anniversary of Pope Francis on 21 April 2025, in his life and in his teaching Pope Francis emphasised mercy, peace, and care for the earth. He urged us to reduce, to reuse, and to recycle. Thank you for your commitment to recycling through your great support for our blister pack recycling project. With your support thousands more blister packs have entered the recycling stream rather than going into landfill. **Thank you** to those who have assisted St Vincent de Paul through Containers for Change by recycling bottles and cans.
