LIVING THE GOSPEL

Saying "Yes!"

In many ways, it is easy to say 'Yes' and not really mean it. Some people do it all the time in their lives. They say 'Yes' when they have no intention at all of following through on their commitment. It's easy to say 'Yes' and not mean it when it comes to faith as well. It's pretty easy to turn up at Church on a Sunday and be seen to be doing the 'right' thing. But if our faith doesn't change the way we live, then maybe we're really saying 'No' to God.

In three weeks' time, Catholic Mission will share an opportunity for you to partner with the Sr Carolina and the Salesian Sisters in Timor-Leste as they continue to provide an essential community project that addresses the gaps in care and well-being in rural communities like Venilale.

This work simply will not be possible without your support. We hope you will accept this invitation to make a real and lasting impact for those in need.
