# GOSPEL FOCUS

## The Kingdom of God

*The references to the kingdom of God in the gospels always carry a paradox. It exists in the present, yet is something to be achieved in the future. It is here, but not yet. If we live 'as if' we are living in the kingdom here and now then we hasten its coming. The kingdom of God is not a place but a way in which the world operates. It is a kingdom that is ruled by justice and gives precedence to those who are regarded as nothing in the world. It is a kingdom of promise and hope that inspires and calls all people to more than they currently are.*
