GOSPEL FOCUS

Peter's insight

When Peter answers Jesus' question he demonstrates the disciples' dawning awareness of Jesus' true identity. It is the first occasion that the disciples are called to own what they think about Jesus. However, when Jesus begins to spell out what being the Messiah really means – persecution and death – Peter tries to convince Jesus that he doesn't need to go down that path. Jesus turns on Peter and snaps, "Get behind me, Satan!" It is a reminder of the desert temptation Jesus had to face at the start of his ministry when he wrestled with what sort of messiah he was called to be.

PARISH CENSUS - SEPTEMBER SIGNUP! For the past 3 years, the archdiocese has been working with parishes to develop more efficient and contemporary ways to reach parishioners and visitors. We are excited to announce a new partnership between Flocknote and the Archdiocese of Brisbane. Many of us are familiar with the paper parish census form; we fill these out every few years to ensure we stay up to date with who is in the parish and to keep ourselves connected to parish programs and ministries. With much more activity online today, Flocknote is the ultimate secure solution for managing parish censuses and communication between you and the parish. This weekend, a video from Archbishop Mark will be played in our churches, announcing this important news! Parishioners and visitors are invited to sign-up to Flocknote. Your info is kept secure and private. It only takes a couple minutes to sign up to receive emails from the parish. Please use the link or QR code below and signup and register with the parish. If you have any questions, please see a priest, or speak with the Parish office.
