In Mongolia, vulnerable people requiring social services often face stigma for using them. Those in need are often impacted by domestic violence or homelessness. Unfortunately, support services are limited in number and the demand for them is growing.

This means some of our brothers and sisters in Mongolia are going without the help they need.

This month, we invite you to support the Church in Mongolia on their journey to provide more support for vulnerable people in need. Your kindness will ensure that more of our brothers and sisters can receive the assistance they need to get back on their feet.

THE QUEENSLAND BISHOPS ELECTION STATEMENT IS NOW AVAILABLE

The Catholic bishops of Queensland have collaborated on a statement urging those seeking election at this year's State election to speak the truth and those who will vote for them to use their ballot for the good of all.

The statement in full, together with a video featuring most of Queensland's bishops, can be viewed on this page: <https://brisbanecatholic.org.au/life/queensland-bishops-election-statement/>
A shorter video on the Archdiocese's Facebook page: <https://fb.watch/uX1jK5X8Ng/>

"In such a world and at this time", the bishops conclude, "we would ask of those seeking election and those who will elect them that, beyond the seductions of the lie, they tell the truth, that they resist the pressures of polarisation and work for the good of all, and that they recognise populism for what it is and fully respect the processes of democracy and the rule of law."
